

### **General Body Updates**

A preliminary General body was conducted on Nov 18th, 2020, and the General body unanimously approved to conduct future General bodies on virtual platform at any adverse situations.

2020 Annual General body was conducted on Zoom platform on Dec 19th, 2020, and following are the decisions made.

1. General body decided EC & BOT members should take full membership (\$75 currently), Individual membership (\$40 currently) is only allowed for a bachelor or single.
2. General body decided EC & BOT members should take membership by Jan 31st of the calendar year.
3. Since the election commission (BOT) did not get any nomination for 2021, BOT and General body suggested the current committee to continue as the administrative committee with minimal capacity for the year 2021. This will override the GAMA bylaw clause preventing a third-year position in the committee since 2021 will be considered as a continuation of 2020.
4. General body decided all the members who took membership as per GAMA bylaw in 2020 year will be a member for the year 2021. The General body decided to use the 2020 balance to be carried forward as the working capital for the year 2021.
